

Big Sur Fiddle Camp Application

Print & include second page with your deposit, or email to:
bigsurfiddlecamp@gmail.com

Students will be accepted by class level, in order of applications received. Priority will be given to returning campers, with consideration for instrument diversity.

New students: Along with the application, feel free to include an additional page of writing about yourself, and/or a recording. Any recording quality will do. If you need help, please email camp. Recordings and writing can be included with application form or emailed as mp3s to bigsurfiddlecamp@gmail.com. If you email mp3s or application, please title the email subject "Your Name, Big Sur Fiddle Camp 2010 materials" and make sure they arrive to the inbox by the time your deposit makes it to our mailbox!

Classes:

You will be placed in a class by camp, and will stay with that class for the week. Classes are a small intimate affair, and placing students helps provide the best learning experience for everyone. Please be sure this is ok before you sign up. All classes are wonderfully fun & engaging, with plenty to learn.

All students:

If your preferred class is full, we may be able to offer space in the alternate class. If it is above your level, please be considerate and understand that teachers will be moving at a challenging pace, and you will be listening to/recording material to learn later. If the class is below your level, plan to focus on learning material fully, groove, chords, harmony, and being at the head of the class and able to help instructors demonstrate ideas. Harder is not always better for learning, especially if you want to retain the music you learned at camp.

Tuition: (Guardians & students) Deposit to hold a space: \$150 Tuition: \$650 if full balance postmarked by March 1st, \$680 after March 1st. Because of the intimate size, refunds can be given only in cases of genuine medical emergency, so please make sure you are coming when you sign up. Your check will be returned if camp is full. Some tuition discount are available through work/trade if you are unable to afford full tuition, and you may also consider staying offsite for a reduced tuition cost, at one of the wonderful B&B's or campgrounds nearby. You will still be welcome to come for evening concerts & socializing.
